DIES FROM HEAT

Man Working at the Government Works Just Above the City Suffers Sun Stroke Yesterday Afternoon With Fatal Effects.

A man by the name of William Fogarty suffered a sunstroke at the dam yesterday afternoon. He was taken to Hayswood Hospital but died of the effects of the stroke.

Fogarty had been working at the dam but two days when he suffered the stroke. The physician of the works was called and had him removed to the local hospital but of no avail. The man was taken there about five o'clock and died three hours later.

Little is known about the deceased. It is thought he came from Springfield, Ohio. He was a member of the Elks of that place. No further particulars could be learned. Fogarty was a middle aged man.

The body was removed from the hospital to Coughlin & Co.'s parlors where it was embalmed. Efforts are being made to get into communication with some relatives or some one who will dispose of his remains.

We wish to thank the friends and neighbors who so nobly aided us during the sickness of our mother, Mrs. Noah Flaughter. We also wish to thank Rev. Williams and Mr. Knox. HER DAUGHTERS.

M. A. WALLINGFORD

Gen. of Maysville's Prominent Business Men Dies at His Home on East Second Street This Morning at 5:45—Was Old Soldier.

Mr. Miles A. Wallingford died at his home on East Second street this morning at 5:45 after a short illness of indigestion.

Mr. Wallingford was born in Robertson county in 1847. He served in the Federal army in the Civil War, the exact regiment not being learned. After the war he settled in Cynthiana where remained until about eight years ago when he came to this city. He was married in the late seventies. He is survived by a wife and six children, A. T. and George Wallingford of Cynthiana; Mrs. Dora Foges of Toleboro; Mrs. Ora Bryant of the county; Mr. W. B. and Mr. Leonard Wallingford of this city.

Mr. Wallingford was a devout Christian in all his walks of life and took a great interest in church work. He was an enthusiastic attendee of Rugles Campmeeting having been going there for over thirty years. At the meeting of the Campmeeting Association held Wednesday he was elected treasurer for the ensuing year. At the same meeting he asked to be excused from the Board of Directors having served on that board for twenty-nine years.

The funeral arrangements have not been made as yet but will be announced in tomorrow's Ledger.

WOMAN'S CLUB

Of This City and County Has Been Assessed \$200 of the \$10,000 Needed by the Illiteracy Commission—Every One Urged to Give Something.

The following is an excerpt from a letter of the President of the Women's Clubs of the State of Kentucky:

"Echoes of our splendid Maysville convention are reverberating from club to club, and we hope ere another meeting the spirit of Federation, so apparent there, will have reached not only every club in our state but every woman. To the Maysville club women and every citizen of Maysville, we owe a debt of gratitude, for never have we received a more wholehearted and cordial welcome. Every one vied in doing us honor and our appreciation is beyond words. Four clubs have come into our union since the convention. It was voted to render all the assistance possible to the Illiteracy Commission in this, its hour of stress. We appointed a large committee of active club women—one hundred—to meet in the House of Representatives at Frankfort on June 20th. The meeting was largely attended and great enthusiasm displayed as the women agreed to raise \$10,000 to meet the needs of the commission. With each member raising \$100 the work will not be hard on any one. Several hundred dollars have already been sent in, and we believe the fund will be collected by the time the moonlight schools start, the 14th of August. The club women who so generously responded to the appeal for little deaf and blind Oma Simpson at Maysville will be glad to know their gifts were deeply appreciated and the little girl will have a happy summer with her teacher, Miss Alcorn. She herself wrote me a very nice little note of thanks on the typewriter."

A committee of one hundred women have been appointed from all over the state to raise this money. The Mason County Woman's Club has agreed to raise \$200 and for this purpose they have prepared socks which will be distributed and persons will be asked to put in some money for this work. The amount asked is one cent or, as many more as possible. The ladies feel that they will be able to secure their portion in a short time.

This is a great move in Kentucky right now. Every person should be able to read and write and those who can should aid the more unfortunate ones. Will you aid in the work?

SOME CROWD

Was the One That Went to Ripley to Attend the Fair Yesterday—Five Hundred Went From Here.

One of the largest crowds that ever left Maysville all at one time, journeyed from this city yesterday morning on the 9:30 C. & O. westbound accommodation for Ripley. Over 300 round trip tickets were sold from the Market street Station to that village and 17 one way. Almost a hundred were sold from the depot making almost five hundred that went on this train alone. The attraction was the Ripley Fair, one of the best and most well known fairs in Southern Ohio.

In addition to the large crowd that went on this train a great number went by auto and boat from this city. The pleasure boat "Outing" and several others were loaded at each trip and several autos did a large business. It is estimated that over seven hundred people from Maysville and vicinity went down.

A great number of those that went did not go for the purpose of seeing the fair. When they departed their tongues were hanging out but upon their return they had lost this visible means of thirst and the necks of sundry bottles protruded from their vestment.

The crowd was very orderly notwithstanding the visit to the oasis. Officer Fizer was sent to South Ripley to handle the crowd on the return trip and he reported that the crowd was so good that he did not have to call one person. No arrests were made and all went off smoothly. The police anticipated some trouble but were agreeably mistaken.

NOTICE

The LEDGER would greatly appreciate it if the county election officers in the "primary" Saturday would phone in the results to this office as soon as they can be given out.

BULL MOOSE TO BE REORGANIZED

Plans to Prevent Delivery to Hughes Are Adopted at Indianapolis—Denounces Callahan With Republicans to Kill OR the Party.

Indianapolis, Ind., August 3.—Plans for the reorganization and perpetuation of the Progressive party as a national political organization were adopted here tonight at a conference of Bull Moose representatives. The conference, after a heated discussion, decided it would be impracticable at this date to reassemble the Progressive national convention and fill the vacancy in the national ticket caused by the declination of Theodore Roosevelt of the nomination for President. Instead the organization will put up an electoral in every state where there is the nucleus of an organization left, bearing the name of John M. Parker, of Louisiana, nominee for Vice President, in the hope of perhaps electing enough presidential electors who might prove the balance of power in the event of a close contest between the two leading parties.

Among the states in which this plan will be carried out are Louisiana, Maryland, Wisconsin, Michigan, Utah, North Dakota and Minnesota.

J. A. H. Hopkins, of New Jersey was chosen treasurer of the rehabilitated Bull Moose party, and Matthew Hale, of Massachusetts, vice chairman of the national committee, will be in active charge of the campaign.

Executive Committee to Aid

An executive committee of fifteen members will be named by Vice Chairman Hale to co-operate with the fifteen members of the national committee who refused to vote for the endorsement of Charles E. Hughes at Chicago on June 26 in rehabilitating the party. This committee will meet after the November election to formulate plans for the perpetuation of the party. These plans may include some kind of an amalgamation with the Prohibitionists, Socialists and women's parties.

Edwin M. Lee, of Indiana; A. D. Morison, of Missouri; Bainbridge Colby, of New York; C. S. Hoffman, of Michigan; Harold Moise, of Louisiana, and C. W. McClure, of Georgia, were named members of the executive committee. The other members will be announced by Vice Chairman Hale in a few weeks.

MOWER PARK CAMPMEETING

Mower Park Campmeeting will begin Thursday, August 10, and close Sunday, August 27. Rev. William Jones of Ludlow, Ky., Sunday School Missionary, will be the preacher for the first part of the meeting and Rev. E. R. Overley of Covington, Ky., District Superintendent, will be the preacher for the latter part of the meeting. These are excellent speakers and it will be worth while to hear them. Rev. A. F. Felts will supervise the religious services.

"THE RED CIRCLE" AND "WHO'S GUILTY?"

At the Pastime today, afternoon and night, "The Red Circle" and "Who's Guilty?" series will be projected. A good comedy will also be shown. Don't miss the Pastime show today.

Girls' Gingham and Percale Dresses Under Price

"I always find the prettiest and most girlish styles in your store," said a mother the other day, and these are just such dresses. That they are offered at reductions merely means we are desirous of a clearance. Excellent gingham and percales in plaids, cheeks and plain colors, neatly trimmed and well made. Sizes 6 to 16.

We could not possibly buy these dresses at wholesale for the price at which we offer them. But the insistent cry for "something new" compels us to close out the stock now so we can have an entirely new assortment for the coming season. Mothers lose a splendid bargain opportunity who fail to see these attractive little frocks.

THINGS TO REMEMBER

While you, Mr. Business Man, Mr. Property Owner and Mr. Money Saver, are preparing to place your hands on your pocket book to meet the exactions of the new revenue bill producer (a Democratic measure), please remember that at present 70 per cent of all imported goods entering the ports of the United States are on the free list.

The imports for May reached the impressive amount of \$229,000,000, an increase of \$11,000,000 over April, which set the previous high mark of imports. The imports for the twelve months ending with May totaled \$2,110,000,000, an increase of \$436,000,000 over the preceding year.

The foreign manufacturers who furnish all the goods which are coming into this country free of duty pay no taxes in the United States, but we compel the American producers to pay federal, State, county and city taxes.

The republicans contend that the enactment of a proper tariff law imposing a duty on the vast volume of goods now coming into this country free of cost would obviate the necessity of placing on the taxpayers the additional burden of another national revenue producer, such as the present Democratic administration has done.

These are facts, Mr. Citizen, which it is to your interest to recall when you are paying the extra taxes that are about to be imposed upon you because you are thrifty and economical, and because, you have achieved a success in your particular line of endeavor.—Commercial Tribune.

BLUNDERS OF CONGRESS

There is a scarcity of machine guns in the army. There are only about a thousand of them all told, including those needed in the Philippines, the Canal Zone, the islands and elsewhere. Now, machine guns under modern war conditions are an absolute necessity. The Carrizal reports indicate that the machine gun of the Carrizistas and the lack of one on the American side account for the outcome of that episode.

It becomes of vital interest, then, to inquire who is responsible for this failure to arm the American army properly. The answer is simple—Congress. Our blundering, pacifist, pork-loving Congress. Congress gave a peremptory order in the 1914 appropriation bill that no more machine guns be made of the kind which all ordinance experts agreed is the best available, but that a new type which it would be impossible to procure for two or three years must be used.

The consequence of this incredible short-sightedness on the part of Congress is that there is now a shortage of machine guns for the regulars and that the National Guard now being mobilized cannot be properly armed when sent to the front.

Champ Clark declares that no political party will ever dare go to the people with a proposition to repeal the income tax. Yet the Republican party did that very thing once upon a time. There was an income tax levied during the Civil War—levied for the purpose of helping to pay the expenses of a war of our own and not for the purpose of covering up defective fiscal legislation. When the war was over—our own war, again be it remarked—the Republican party removed the income tax, and it was not again imposed until a Democratic administration found it necessary as first aid to an injured Treasury. Whether the income tax will ever disappear from our fiscal system remains to be seen. But one thing is sure—if it is not ended, it will be mended. It will not be left in its present jughanded and sectional form, whereby four-fifths of the income tax is paid by four States, and those States of the North. In other words, some time the income tax will be changed from its present form as a plenty upon thrift and enterprise and will be made a reasonable and universal contribution to the support of government.

"The Bulletin," which is the political dope-sheet issued by the Democratic National Committee for the guidance of Democratic editors, carries this line: "Editors are invited to submit suggestions for the improvement of the Bulletin." We have one suggestion to make. It is that the "Bulletin" discard the policy of the administration to try to fool/somebody. For instance, in the "Bulletin" of date of May 15, there is an article headed "The Republican Platform," which is a pure fake. It was written by some Democratic smart-Aleck and printed in a style to make people believe that it is the platform of the Republican party for 1916. It will be a dull man, indeed, who is deceived by such practices—but we imagine that most readers of the "Bulletin" and of the papers which are stimulated by it are not over bright, anyway. Nevertheless, it is well to avoid even the appearance of evil—and we make this suggestion to the compilers of the "Bulletin" in all seriousness.

When Vance McCormick gets his movie films of the Wilson administration in operation we certainly hope he will have a spirited film showing the sinking of the Lusitania, together with a set of "close ups" depicting Wilson in the White House, his face marked by grim determination and his fingers feverishly playing on the keyboard of the rickety typewriter which he for so long a time deemed an adequate defence for this country against any danger.

It was something more than a century ago that this infant Republic refused to pay tribute to the Barbary pirates, and Decatur and his comrades gave imperishable fame to the American Navy in maintaining that refusal. No, it seems, however, that we are to pay money to Carranza to be good. The fact that the transaction is designated as a loan does not alter its essential character.

The mobilization of the militia gave the country the hope that the period of "watchful waiting" was ended. But that pleasurable thought existed for a few days only. We are plainly in for another season of experimentation in Mexico, while the mobilized militia costs the country millions of dollars.

SANE SUMMER SUGGESTED

(Chicago Herald)

Now that the Fourth has gone by with its indubitable proofs of the advantages of caution and common sense why not carry the sane idea on throughout the entire summer season? Why not make it, in brief, a sane summer?

Every summer has its lists of accidents and even fatalities by sea and shore, just as the Fourth of July has.

PAINS IN SIDE AND BACK

How Mrs. Kelly Suffered and How She was Cured.

Burlington, Wis.—"I was very irregular, and had pains in my side and back, but after taking Lydia E. Pinkham's Vegetable Compound Tablets and using two bottles of the Sanative Wash I am fully convinced that I am entirely cured of these troubles, and feel better all over. I know your remedies have done me worlds of good and I hope every suffering woman will give them a trial."—Mrs. ANNA KELLY, 710 Chestnut Street, Burlington, Wis.

The many convincing testimonials constantly published in the newspapers ought to be proof enough to women who suffer from those distressing ills peculiar to their sex that Lydia E. Pinkham's Vegetable Compound is the medicine they need.

This good old root and herb remedy has proved unequalled for these dreadful ills; it contains what is needed to restore woman's health and strength.

If there is any peculiarity in your case requiring special advice, write the Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass., for free advice.

Many of them—perhaps most of them—are of a preventable nature. Untried swimmers venture out too far, boats are not handled as carefully as they should be, canoes are taken too far from shore by inexperienced persons and disaster often results. Everyone who goes or stays on a vacation should make up his or her mind to omit no reasonable precaution to make the summer of 1916 the sanest on record.

RALPH MULFORD

Added interest is given the opening of the new Cincinnati Speedway at Sharonville on Labor Day, September 4, by the fact that "Smiling" Ralph Mulford will be one of the starters in the big 300-mile, \$30,000 race. For the past ten years Mulford has taken a leading part in automobile contests in this country, and no driver now before the public has a better record of consistent performances.

NOTES FROM RUGGLES

J. H. R. Writes Interesting Letter of Happening at Picturesque and Famous Old Campgrounds.

Ruggles Campgrounds, August 2.—The annual meeting of the Campmeeting Association was held this morning with over twenty-five ministers and laymen present. This the law-making part of the campmeeting. This year is breaking all records in attendance in about everything out here. The Association was on exception. The Association elected the following as officers for the ensuing year: President, Rev. W. H. Davenport; Vice President E. R. Overley; Secretary, J. M. Lital; Treasurer, M. A. Wallingford. The object of the meeting was to review the work of the Board of Directors, receive reports, and to pass such actions as may be to the best interests of the campmeeting. The affairs of the Association are in splendid shape, but on account of many needed improvements, and the excellent way the meetings are conducted, it was thought best to make provision for an increased income for next year. This will be planned carefully so that the small added expense may be shared by all alike. In these days of advancing prices for everything that one has to buy, the wonder is that the Association has been able to carry on such a successful institution without an increased income from some source. The Board of Directors are to exercise the most rigid economy without detracting from the attractiveness of the campmeeting. All new plans will go into effect next year. A new Board of Directors was elected. They are I. M. Lane, John R. Brodt, J. Robert Hinton, Dr. J. B. O'Bannon and J. H. Richardson. Mr. M. A. Wallingford who has faithfully served as a member of the Board for twenty-nine years requested that he might be relieved from further duties. By vote of the Association he was made an honorary member for life. Two new faces will be seen on this Board, Dr. O'Bannon and Mr. Richardson. These men have been regular attendants at the campmeeting for over twenty years and will now take on new responsibilities in the active managing of the business affairs of the Association.

The Board of Directors organized by electing I. M. Lane president, J. M. Lital, secretary, and J. H. Richardson, treasurer. The Board then adjourned to meet next Monday to wind up the business for the present campmeeting.

Up until the present writing, thirty-one teachers have registered. This exceeds the record by five or six, with few more to report.

Mr. Frank Nash returned this afternoon after a flying trip to Maysville to respond to a S. O. S. signal from the Daily Independent to help them out one day.

Mr. and Mrs. E. H. Bryant and daughters, Misses Sallie and Laura were in camp for a few hours today.

It has been the privilege of the campmeeting folks to hear to of Kentucky's best English preachers today. Revs. Thomas Grenfell at the morning hour and F. W. Harrop at the three o'clock. Rev. Grenfell is a new man among us. His sermon was a thrilling one in every sense of the word. It brought forth more shouts of praise than has been heard at any time this year. We are always delighted to hear Rev. Harrop. He was at his best this afternoon, giving us a talk, most enjoyable and very practical. Rev. Harrop never loses interest in old Ruggles Campmeeting. He made the journey this year all the way from Harlan, up in the mountains of South Eastern Kentucky, to be present. His name appears on the register every year since he has been in Kentucky.

An other tabernacle full of anxious listeners heard Dr. Franklin this evening. His earnest sermon made a profound impression on the people. One splendid young man came to the altar immediately when the invitation was given and after many prayers were made he was brightly converted. And so the good work goes on. Many come to the camp with heavy hearts and go away happy. The helpfulness of the meetings is in the very atmosphere. Revs. Harrop and W. W. Shepard left for their homes today. All hoped that they would remain until the close.

Mr. Louis P. Harris of Cincinnati, traveling passenger agent of the Northern Pacific Railroad, was a visitor in this city yesterday in the interest of his company.

The Deveraux players, who visited Maysville two years ago and gave several of Shakespeare's plays, are wanting to return to this city. A representative of the company was here yesterday trying to secure enough pledges in order to get enough money to bring them here. If a sufficient guarantee can be secured, they will be here on August 28 and 29.

PUBLIC SALE OF MASON COUNTY FARM

As Executor of Phoebe Marshall, deceased, I will, on

SATURDAY, SEPTEMBER 2, 1916,

at 2 p. m., on the premises sell at public auction, the farm owned by her on which she resided at her death, containing about 176 acres, lying just north of the town of Washington, and within 200 yards of Maysville and Lexington Turnpike road, which runs through said town, and within half a mile of the new Washington High School building. Said farm is located in the best part of Mason County, and is in a fine state of cultivation. It is well watered, has on it a one and one-half story brick dwelling house, containing six rooms and kitchen, one tenant house, stable, carriage house, silo, and two large tobacco barns, one of which is also a stock barn. It adjoins lands of George Longnecker, Larkin Brothers, A. L. Glascock, Clarence Tucker, Mrs. Mattie McCann and Mrs. Pearl Marshall. Full possession of the farm will be given to the purchaser on March 1, 1917, but possession of the dwelling house, with privilege of seeding during the coming fall, will be given at once on completion of the sale.

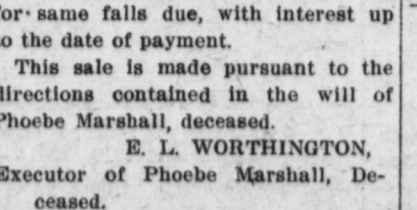

The farm will be sold on a credit of six and twelve months, the purchaser to execute notes with good personal security, bearing six per cent. interest from the day of sale, each for one-half the purchase money, with privilege, however, of paying the whole purchase price in cash at any time before same falls due, with interest up to the date of payment.

This sale is made pursuant to the directions contained in the will of Phoebe Marshall, deceased.

E. L. WORTHINGTON, Executor of Phoebe Marshall, Deceased.

BARN DESTROYED

A barn belonging to Mr. Thomas A. Keith of this city was destroyed by fire in Charleston Bottom yesterday afternoon about five o'clock when it was struck by lightning. A number of farm implements and a small amount of feed was destroyed.
